

# CROSSOVER

*In a class by itself!*

*The world's first semi-professional washer for coin-op laundries!*

*Perfect for coin laundries and guest laundry.*

** Wascomat**

# CROSSOVER

**Tired of losing money on toploaders and appliance front loaders? Combine Crossover with larger Wascomat machines for the most cost effective laundry equipment package.**

Crossover is a revolutionary product engineered *exclusively* for commercial use. Washers are designed for 15,000+ cycles —more than double the life of appliance-type washers (which are made for home use).

- ✓ No oversudsing! Crossover will complete the cycle.
- ✓ CrossBalance technology keeps loads balanced.
- ✓ Built tough with top quality SKF bearings, triple seals, solid steel counterweights, and 8-point suspension system.
- ✓ Pump is standard. Easily replace old top loaders.
- ✓ All Crossover machines are soft-mount for easy installation.

Washers and dryers available in coin and card vended. Contact Laundrylux for details on supported card systems.
